

Arizona Infectious Disease

WALK IN POLICY

Follow up appointments can be scheduled from the PATIENT PORTAL or by calling the office during regular business hours.

Please notify your infusion company immediately, if you are experiencing problem from the intravenous antibiotic(s).

Established patients can walk into the office (without an appointment) in case of Infectious Disease problem (s) or adverse reaction from antibiotics necessitating immediate attention.

If this happens during outside regular business hours then please report to the nearest emergency room immediately.
